

## Integrative Medicine Consultant with Clinical Director Opportunity

Join our growing team at the Osher Center for Integrative Medicine (OCIM) in the amazing city of Chicago! We are seeking a special physician to offer integrative medicine consult services, collaborate with the OCIM team, and support OCIM efforts to provide innovative healthcare education, clinical care and research programs. Each member of our team is critical to furthering our internal culture of compassion-oriented care for each other, our patients and ourselves.

### **Job Qualifications:**

- Medical Degree (MD or DO)
- Completed accredited residency in Family Practice or Internal Medicine
- Current Board Certification
- Personally exemplify healthy lifestyle practices
- Strong interpersonal communication, mass communication, and leadership skills
- Advanced training in Integrative, Functional, or Nutritional Medicine

### **Job Essentials:**

- Conduct an integrative medicine practice that includes evidence-based conventional, integrative and functional medicine options
- Communicate in a professional manner with referring physicians
- Refer when appropriate to OCIM complementary medicine providers
- An experienced provider with appropriate skills may be eligible for protected time to function as the Clinical Director of the Osher Center
- Participate in teaching for students, residents and fellows.
- Conduct community lectures on health optimization, prevention, and wellness related topics
- Support clinical research initiatives and implement research findings into clinical practice
